- Settings
  - If you want to logout, select *Settings* then *Logout*
- Legal
  - Select *Legal* to view the Privacy Policy and Terms & Conditions

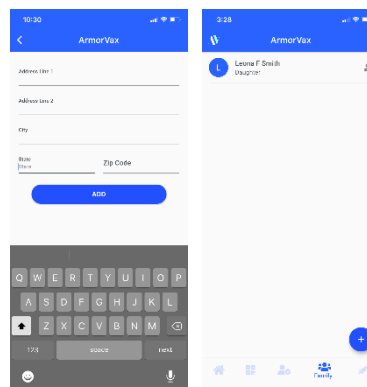

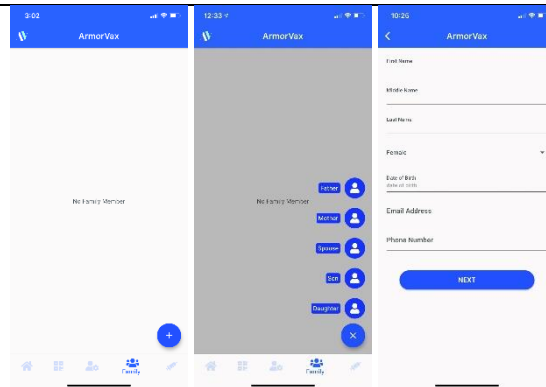

**Step 4: How to Navigate the App**

- Use the icons at the bottom to navigate the App.
  - Home – Find a Provider
  - Scan – QR Code
  - Account – Information of primary account holder
  - Family – Information of family members
  - My Shots – Vaccination Details through use of ArmorVax

**Step 5: Adding Family Members**

- Select the Family icon in the bottom navigation menu
- Click the + icon in the lower righthand corner
- Select the type of family member to be added
- Enter their personal information, click Next
- Enter address information, click Add
- To add other family members, click the + icon
- To edit information, click on the gray person/pencil icon on the far right in the row of that person and make changes.
- If finished, click the Home icon in the bottom navigation menu to begin locating a provider.

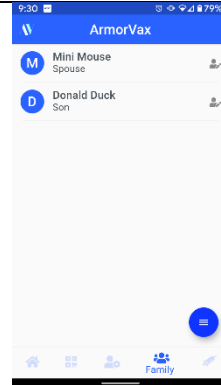

**\*NOTE - Each individual WILL NEED to schedule an appointment. Simply, registering an account does not mean you have an appointment time. An email confirmation will be sent when the appointment is booked.**

**Please bring your QR code or your conformational appointment email with you to your appointment.**

**On the day of your appointment, please do arrive on time. Any individual arriving for appointments earlier than 30 minutes will be asked to wait or return at the designated appointment time.**

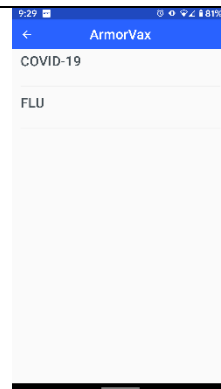

**Step 6: Find a Provider**

- Click *Find a Provider*

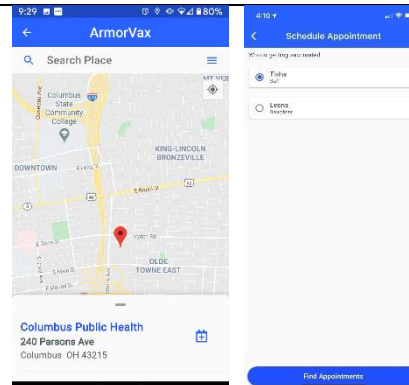

**Step 7: Select type of Vaccine**

- Select *COVID-19*

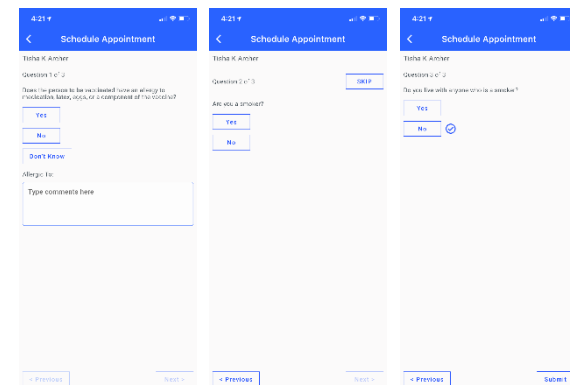

**Step 8: Search for a Provider**

- Tap *Search Place* at the top, enter geographical location and click *Done* to begin
- Tap the calendar icon next to the convenient location
- Select the person getting vaccinated.

**Step 9: Pre-Screening Questions**

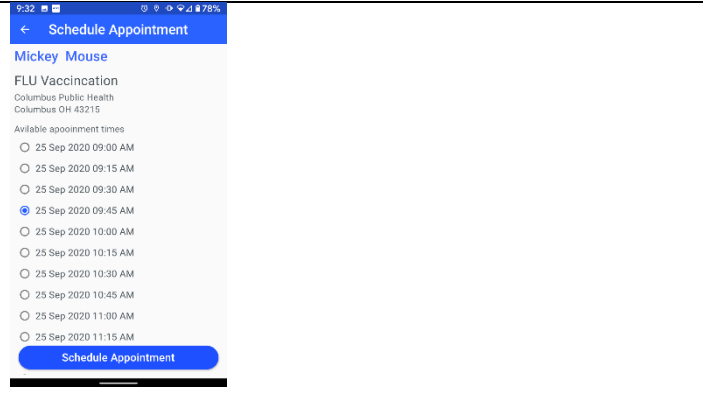

- Answer the pre-screening questions and click *Submit* in the lower righthand corner.

**Step 10: Select Appointment Time**

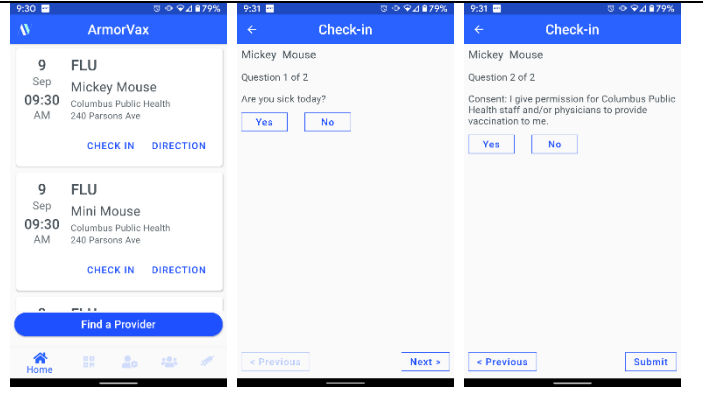

- Review the list and select the appointment time that works best for you.
- Click *Schedule Appointment*.

**\*NOTE - Each individual WILL NEED to schedule an appointment. Simply, registering an account does not mean you have an appointment time. An email confirmation will be sent when the appointment is booked.**

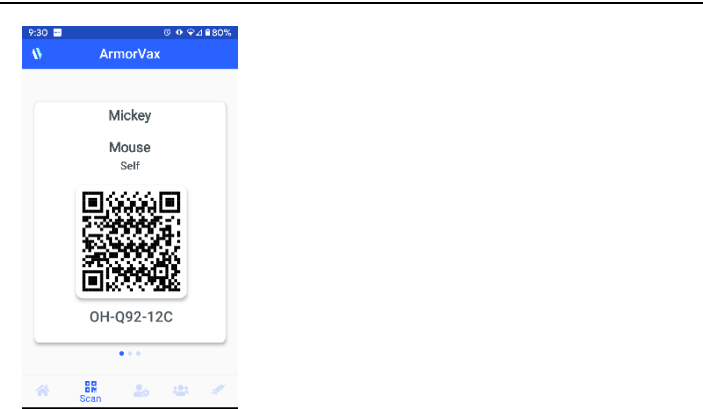

**Step 11: Appointment Details & Check-In**

- When it is time to check-in for your appointment, select *Check-in*
- Answer check-in questions then click *Submit*.

**Step 12: QR Code**

- Tap *Scan* on the navigation bar at the bottom to access your QR Code
- Upon arrival, show your QR Code to the individual administering the vaccination. They will scan the QR code to verify your identity and information.

**Step 13: Checking-In for Appointment**

- Open app and select check-in for appointment
  - This will typically be within 24 hours of the appointment
- Answer the check-in Questions
- Select *Submit*
- Your QR code will be displayed; show this to the vaccine center upon arrival
